Fourth Grade Achievers

November 2nd-6th

Week 11

What We Are Learning

Math: This week we will finish our our current chapter at the end of the week with their chapter test on Friday 11/6.

Science: This week we will begin our new chapter on Plants and Animals within our Life Science unit. We will begin a science experiment this week on Friday.

Social Studies: As this week is a very important week, we will be working be discussing the election and the process of how a president become eligible.

Reading: This week we continue reading "Why the Sea is Salty" and "How the Stars Fell into the Sky" our focus will be on comparing and contrasting points of view, use details to determine themes, analyze problem and solution and describing characters and events. We will be taking a test over our reading of Why the Sea is Salty on Wednesday.

Writing: This week we will continue on writing a persuasive essay about animals in the zoo. We are going to be writing essays weekly in class to get them prepared for the FSA.

Note from the Teacher

DISTANCE LEARNERS:

You will need to purchase lima beans for the science experiment we will be doing on Friday.

Items needed: Lima beans, ziplock bag, and a paper towel.

Reminders & Events

{IMPORTANT} Please begin packing a backup mask in your child's backpack incase something happens to their first mask.

Don't forget to sign up for Fall Conferences! If a time does not work for you, please let us know and we can try and accommodate another time.
