

4th Grade Weekly Newsletter

Fourth Grade Achievers

August 24-28, 2020

Week 1

What We Are Learning

- The first week of school is learning about each other, class procedures, rules, and expectations. We will also be taking Beginning of the Year assessments this week in Reading, Math, Science, and Social Studies.
- Virtual students are expected to login in to their scheduled teacher's Google Classroom by 8:40 a.m. for their lesson.
- This year we will have a brand new lunch provider. Everyday lunch will prepared here at school for the students. The students who purchase a lunch will go down to pick up their lunch, and bring it back to the classroom to eat.
- We will be having a fire drill on Wednesday, with different procedures for the time being. This will be explained to the students more in depth at that time.
- There will be no walkers this year, all students will remain in their homeroom during dismissal.
- Please have your child bring in a water bottle if possible, as we won't be having the water fountains in use.

Note from the Teacher

- Please make sure your child is wearing a cloth mask at all times besides the times for mask breaks.
- **We recommend to bring an extra mask in a ziplock bag in case your child may need a new one.**

Reminders & Events

- September 7th - NO School (Labor Day)
- September 11th- Progress Reports
