

4th Grade Weekly Newsletter

Fourth Grade Achievers August 31 - Sept. 4th, 2020 Week 2

What We Are Learning

- This week we will be diving into our curriculum within the classroom.
- Math: This week we will be focusing on patterns. We will have a small quiz on Friday from what we have learned this week.
- Science: This week we will be learning about different scientists, and what they do as a scientist.
- Social Studies: We will begin working in our studies weekly newspaper at week 1. Please make sure your child has week 1 ready on Monday. They will be learning about the state symbols.
- Reading: This week we will be reading the text *Porpoises in Peril*, and talking about the problems and solutions, as well as using details and examples to explain a story, describing characters, point of view, determining the meaning of words and phrases, and analyzing the sequence of events
- Writing: This week we will be working on writing informative and explanatory pieces

Note from the Teacher

- Please make sure your child is wearing a cloth mask at all times besides the times for mask breaks.
- **We recommend to bring an extra mask in a ziplock bag in case your child may need a new one.**

Reminders & Events

- September 7th - NO School (Labor Day)
- September 11th- Progress Reports
