

# 4th Grade Weekly Newsletter

Fourth Grade Achievers

September 7 - Sept. 11th

Week 3

## What We Are Learning

- Math: This week we will be focusing on angles. We will have a mini quiz on Thursday for lessons 1 & 2 then move onto lesson 3 afterwards.
- Science: This week we will begin with our Life Science, and talking about season changes. They will use their science books, as well as our new program Discovery Education.
- Social Studies: We will be working in our studies weekly newspaper at week 2. Please make sure your child has week 2 ready on Monday. They will learn about the different branches of government.
- Reading: This week we will continue reading the text *Porpoises in Peril*, and talking about the problems and solutions, as well as using details and examples to explain a story, describing characters, point of view, determining the meaning of words and phrases, and analyzing the sequence of events.
- Writing: This week we will continue on writing informative and explanatory pieces.
