

4th Grade Weekly Newsletter

Fourth Grade Achievers September 14th - Sept. 18th Week 4

What We Are Learning

Math: This week we will be finishing up the Topic 1 on place value and will have an assessment on Tuesday. Wednesday we will start our new Topic on adding and subtracting three digit numbers.

Science: This week we will begin with our Life Science, and talking about season changes. They will use their science books, as well as our new program Discovery Education.

Social Studies: We will be working in our studies weekly newspaper at week 3. Please make sure your child has week 3 ready on Monday. They will learning about different government functions.

Reading: This week we will be reading the text Mary Anning: The Girl Who Cracked Open the World. We will be talking about looking at how details help describe a person's life, understanding sequence of events, drawing inferences, determine the main ideas and key details, and comparing two texts.

Writing: This week we will continue on writing informative and explanatory pieces.

Note from the Teacher

{EMERGENCY INFORMATION FORMS}

We are still missing emergency forms from some students. They were in a blue folder that was sent home the first day of school. Please remember to return them back to school.

Even if you are distance, we still need the forms return to school. If you need another copy, please let us know.

{IMPORTANT} Please begin packing a backup mask in your child's backpack incase something happens to their first mask.
