

4th Grade Weekly Newsletter

Fourth Grade Achievers September 21st - Sept. 25th Week 5

What We Are Learning

Math: This week we will take a pre-test on adding and subtracting three digits then will begin our new Topic on adding and subtracting multi-digit numbers. A mini quiz on adding multi-digit numbers on Friday.

Science: This week we will continue with our Life Science, and talking about how seasons affect plants and animals. There will be a quiz on Friday.

Social Studies: We will be working in our studies weekly newspaper at week 4. Please make sure your child has week 4 ready on Monday. They will learning about Florida's Physical Features..

Reading: This week we will be reading the text "Fragile Frogs" from the Frog Scientist and will be determining the main idea and key details in the text, analyze cause and effect. We will also be looking over the two texts from previous weeks and finding details to explain the text, integrate information and make connections between the texts, and compare and contrast different texts. Students will be quizzed over the Frog reading on Friday.

Writing: This week we will continue on writing informative and explanatory pieces.

Note from the Teacher

{EMERGENCY INFORMATION FORMS}

We are still missing emergency forms from some students. They were in a blue folder that was sent home the first day of school. Please remember to return them back to school.

Even if you are distance, we still need the forms return to school. If you need another copy, please let us know.

{IMPORTANT} Please begin packing a backup mask in your child's backpack incase something happens to their first mask.

September 18th- Progress Reports went home today!
